HUNTSVILLE, Ala. - With the 2010 season quickly approaching, the Alabama-Huntsville women's soccer team announces the signing of midfielder Emily Hancock from Swansea, Wales.

"Emily is a tough physical defender, who brings a lot of leadership qualities to our team," noted UAH interim coach Joe Nemzer. "Her up tempo and tenacious defending style will really fit in nicely into our system next season. She's coming from a great program at MTSU run by Aston Rhoden and I think her experience will help us tremendously. "

Hancock played club for the Swansea City Ladies FC.
