Charlotte, NC - UAH pole vaulter Luke Beck became the Charger program's second All-American in outdoor track and field when he finished tied for 8th at the Division II National Championships on Saturday. He is the first ever All-American in track and field for the UAH men's team.

Five competitors cleared 15-feet, 10 inches (4.83m), however the top three made the height in their first attempt. Beck was among that group, allowing him to finish in the top eight.
